ally conducted" investigation of the to have gone amiss as to the facts in trouble in behalf of the public to make octopussing the suffering consumers of but which can be cancelled if it haproute to Salt Lake, he said 75 per cent of the coal output of the state was being converted into coke for the maws of the smelters, and, horrible to relate, he found a lot of empty cars at Colton, the junction of a branch line on the Rio turned into the main line.

of the octopus, and declares on his honor as a gentleman, that Mr. Harris' eyesight failed him: that instead of three trains carrying coal on the day the near future, and some of the repthis, Mr. Derrah says the dispatchers' sheets show that there were nine trains help them through. With no such conmore conclusive than Mr. Harris' un-

that Mr. Harris' figures as to the percentage of total coal output converted house may see fit. Mr. Derrah further deposes and says into coke for the maws of the smelters is much less than the aforsaid Harris' estimate; that instead of 75 per cent it is only 2,000 tons of coal of a total of

Then with no regard for the reputation of the proponents, Mr. Derrah says somebody missed the truth a mile or more when he told the mass meeting in Labor hall that slack costs a manufacturer here \$5.25. Mr. Derrah says slack is sold to manufacturers at only \$2.75 a ton delivered in Salt Lake, and since he local campaigns.

In MARKIAGE LIUENSES of MARKIAGE LIUENSES organized under federal laws, to national, state or local campaign funds. The measure is a first-class one, though it is doubtful if it can be made to apply, except in the case of national banks, to state and local campaigns.

Attorney of the company, and Thomas J. Martin, then vice president of the road, in which it is agreed, in payment of all damages for injuries, that passes shall be issued the plaintiffs during their lifetime, is filed in the suit. The contract was acknowledged in the Jefferson county clerk's office.

The petition alleges that the passes were issued every year until Jan. 1 last, when the defendant company refused to issue them, representing its fear of violation of the interstate commerce act, which provides a fine of \$100 to \$2,000 and a penalty on persons for accepting passes. The value of the annual passes is placed at \$2,000. The petition says that the contract was besed. tition says that the contract was based on valuable consideration, and that the act forbidding the issuing of the passes, which are not and never were considered free, destroys the value of the

property. that suit; a good many people have had contracts with the railroads for compensation in transportation. The new law annulled those contracts and placed any person who dared to even ask that the contracts be fulfilled. One clause give a high tea on the evening of the constitution expressly forbids Tuesday, $F \epsilon b$. 5. Merchants & Manufacturers' associa- any law abrogating such arrangements, tlon by C. O. Harris, manager, seems and it will be worth while to know whether congress can, with the aid of the coal situation. Mr. Harris took the the courts, upset the constitutional prerogative of a citizen and annul an oba trip along the Rio Grande railroad ligation which would be recognized as to see for himself how the octopus was binding if it were between two citizens, coal. He reported only three trains en pens to be between a railroad corporation and a citizen.

POLITICAL CONTRIBUTIONS.

A few days ago the national house of representatives passed, with a few amendments calculated to strengthen the measure, the bill passed by the senate at the last session of congress hall on Second East street to prohibit contributions by corporations to political campaign funds. The house failed to pass the senate bill, very possibly for the reason that a resentatives thought they might poswhich to the average mind would seem tingency confronting it this year the house thought it could afford to pass East street. the bill and put it up to the senate for
